ftfrentals

JLG Manlifts

- Range: 45ft - 125ft
- Unrestricted Capacity: 230kg

JLG Scissor Lifts

- 19ft - 32ft
- Unrestricted Capacity: 240 - 450kg
- We offer certified operator services

SC8000

Loading Capacity

- 13' 4"-9910lbs
- 23'10"-9030lbs
- 34'4"-8140lbs
- 44'11"-7150lbs
- 55'5"-6160lbs
- 2x208 V-60Hz-3 kW

JLG Manlifts

- Capacity 1320lbs (600kg) or 2200lbs (1000kg) Unrestricted Capacity: 230kg
- Platform length size: 2m -7m

Atlas Copco

Compressors

- Range: 175cfm - 1200cfm @ 110 - 150PSI
- Meets and exceeds offshore specifications
- DNV certified skids

ZT Compressor

700cfm; 460V / 6.8 Bars Max. 124 P.S.I

Food Industry: 100% pur, clean, oil-free air fDNV Skids for all kinds of applications. ISO 8573-1 Class 0 (2010) certification to avoid compromising purity of you end product and ensure zero risk of contamination.

Oil & Gas Industry: 100% oil-free compressed air for control/instrument air or buffer air.

Power Plant Industry: Ideal for applications such as flue gas desulphurization, oxidation air, and fluidized

Generators

- Range: 60 - 500KW Meets and exceeds offshore specifications
- Output voltages 110/ 230/ 460 Volts
- Single Phase & 3 Phase
- Also available CNV certified skids
- Meets and exceeds offshore specifications

Generators

- Capable of housing welding plants, compressors and up to 500KW generators

1CXT Mini Backhoe

- Load Capacity: 665kg
- Max Dig Depth 10ft 1in
- Engine Power 49hp 36kW

JCB JS220-LC Excavator

Loading Capacity: 128kW, 21904kg

Wanco Message Board

- 92"x 94" 160 watts
- Three-line signs
- MUTCD Standards 12volts & up to 100watts solar charging

Fuel Tanks

- Storage Range: 250g - 1000g

Atlas Copco Light Tower V4

- Vertical 30ft Mast w/ - 4-1000w halide light fixtures w/ 360 rotation
- Installed catch-pan / spillage-free frame
- 2- GFCI receptacle for powering external equipment
- 28 gallon fuel tank w/ up to 50 hours approx runtime (2.11L per hr)

Red-D-Arc Welderentals

Red-D-Arc E500 4-Pack Electric Welder

- Full range output control
- Rugged Tubular Pak-Lok-Frame
- Full environmental protection

Red-D-Arc LN25 Wirefeeder

- Loading Capacity: 128kW, 21904kg Designed for solid, cored and aluminum wire sizes
- Selectable dial for setting low or high range wire feed speed

Red-D-Arc FX650XL 4-PAK Electric Welder

- Multi-process welding
- Mobile frame; Improves safety by reducing jobsite clutter
- Full functionality without control cables

LINCOLN[®] ELECTRIC

Lincoln Electric Vantage 400

- 19 kw peak
- 1/3-phase 110/240V
- 400AMP Welding Output

Lincoln Electric DX450 Diesel Welder

- Processes: Stick, TIG, MIG, Flux-cored, Gouging
- Plenty of AC Generator Power
- Compact steel enclosure

Powermax85® Plasma cutter

- Professional-grade plasma metal cutting and gouging system for handheld cutting 1" and mechanized piercing 3/4"

Powermax105® Plasma cutter

- Professional-grade plasma metal cutting and gouging system for handheld cutting 1-1/4" and mechanized piercing 7/8"

Welding Lead

MiTM Pressure Washer (Hot & Cold)

Hot water and high-pressure removes the grime and other residue that is often difficult or even impossible to remove.

- PSI-3500 / GPM - 3.3
- Premium Gas & Diesel
- Portable ; Belt driven

Pneumatic/ Hydraulic Breakers

- Impact rate range: 500 - 1500 blows/min

Road Saws

- Blade size: 18" x 1"
- Diesel / Gas Engine

STIHL

STIHL TS420 Road Saw

- 3.2kw 9000rpm
- Blade size: 14" max.

DEWALT

DeWalt Electric Jack Hammer

- Power Input-1600w
- Blows per minute- 1450bpm
- Max Impact Energy 38J

Gas/ Electric Vibrator

- Shaft length: 14ft - 21ft
- Head: 35mm -67mm

BELLE
LIGHT
CONSTRUCTION
EQUIPMENT

Rammer

- Engine Power 4.7hp
- Blows per minute 450-600
- Impact Force-20.5kN

Plate Compactor

- 16.5kN vibration
- Honda GX160
- Base Plate Dimension - 696x500mm

Walk Behind G110 Tractor

W/ Attachments:

Rear Plough, Rotary Tiller, 30" Rotary, Brushcutter, Sully Seat, Plough Kit.

- Oil-bath gearbox
- Side and height-adjustable, reversible handle bar mounted on shock-absorbers
- Active clutch
- Reverse gear lever on the handlebar
- Max. speed 5 km/h
- Automatic decelerating device in reverse gear
- Quick gear-inverter through lever

PRO-TURN 260 Mower

- Blade tip speed: 18000
- Cutting width: 60 inches
- Cutting height (minimum): 1.5 inches
- Cutting height (maximum): 5.5 inches
- Deck lift: Foot-operated
- Deck engagement: Electric
- Drive system: Belt-driven
- Fuel tank volume: 13.4 gallons
- Fuel type: Gasoline
- Ground speed (forward): 13 mph
- Ground speed (reverse): 6 mph
- Unit width: 75 inches
- Horsepower: 27 hp
- Unit length: 80 inches
- Unit height: 48 inches
- Seat Suspension
- Weight: : 1336 pounds

Linde Material Handling

The Linde logo, consisting of the word 'Linde' in a white, cursive script font on a red rectangular background.

Linde Forklifts (LPG & DIESEL)

- Available in 2.5 Tonne & 3 Tonne –(H25 & H30)
- Precise control and smooth handling –ensures less operator incidents and greater work capacity
- Ergonomic design – resulting in greater operator comfort
- Reduced fuel consumption
- Reduced maintenance intervals – so you get the job done in less time
- Fork Dimensions - 45 x 100 x 1000 (s/e/l (mm)

The JCB logo, featuring the letters 'JCB' in a bold, white, sans-serif font on a black rectangular background with a yellow border.

JCB load all 540-140 Lift

- Max Payload - 4Tonnes (8818lbs)
- Max Lift Height- 13.8m
- Telescopic

JCB Rough Terrain

- Lift Capacity 10,000lbs
- Max Lift Height- 15/22ft
- Max Engine Power- 74hp 55kw

INDUSTRIAL DIVISION

Why Renting from FTF Rentals is the best decision?

We rent quality maintained equipment supported by trained technicians. This minimizes breakdowns and costly downtime so the job gets done efficiently.

For all Rental Enquiries contact us at (868) 674-RENT (7368) or Whastapp (868) 323- RENT (7368)

For 24/7 Technical Support, call us on our hotline (868) 323-RENT (7368).

Our dedicated technicians are on standby to serve you.

#17 Bhagoutie Trace, San Juan, Trinidad, W.I.
